DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 35, 43, 72-74 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 35, there is no antecedent basis for “the circumferential segments”.

Regarding claim 43, there is no antecedent basis for “the objects that are intended to be punched out”.

Regarding claims 72 and 73, the claims are at least in part dependent from canceled claim 64.

Regarding claim 72, the term “preferable” renders the claim indefinite as it makes it unclear if the limitations following the claim are being claimed or not.

Regarding claim 74, there is no antecedent basis for “the displaceable roller”.

Allowable Subject Matter

Claims 1-10, 14-20, 22-34, 36-42, 44-63 and 75 are allowed.

Claims 35, 43, 72-74 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
